GODFATHER SEEKS ASYLUM: “ENOUGH TOO MUCH”

Drama "Don"

CULT MOURNS EXODUS

Famed Godfather-Guru **Robert Viharo** of the mysterious HACKers (Hollywood Actors Cult Klan) has announced today that he is seeking asylum from the Hollywood Rat Race, with its Agent “Pimps” and Artistic “Lackies”, its visionless, violent disaster “no-brainers”, its “souled-out actors”, and its heavy traffic patterns, to the remote bad lands of New Mexico. His whereabouts there will be known to only a select few.

Heard sobbing at the news was wanna-be actor and longtime cronic **Jimmy “J.D.” DiStephano**, who was overheard whispering to the Don, "PLEASE, Oh PLEASE Don't go... pot's legal now!"

Viharo is thought to have broken the longstanding oath he made years ago, in which he swore off uppers and downers and Coffee Mate (Viharo is known to drink his coffee black) in order to cope with the Hollywood he has not known since his early days in New York, when he was thought by his peers to be a “Method” madman, after auditioning as a Kabuki Dancer for membership in the once-famous Actors Studio.

Viharo had been threatening to leave the bankrupt **mecca of media** for several decades, but his loyal cult members persuaded him to stay with a counter-threat of mass suicide if the **Drama Don** did indeed pack his bags and call it quits in Tinseltown.

But following the artistic decline of “the Temple”, which began in 1982 with the passing of its exalted founder, Viharo has finally had enough, and is expected to leave, “As soon as I know nobody is watching”.

A cult consisting of several demonstrators were outside the fashionable Brentwood Hideaway of

Spiritual Leader and activist actor Robert Viharo today, after Viharo’s announcement he was turning his back on all of them and seeking asylum in a small town in the New Mexico Badlands.

Chanting, “Please don’t go, Vee-har-oh!” “Please don’t go, Vee-har-oh!”, and carrying .38 caliber pistols under their trench-coats, the group was observed drinking M’Daglia D’Oro coffee until their faces turned red.

Among the demonstrators were: Mike Diamond, George and Polly LaPorte, Deane Carlin, Pat(sy) Asanti, J.D. and Gretchen, Bobby Moss, (Gary Swanson(g), Savannah Smith-Boucher, Lainie Kazan, David and Parker, Kenya Winchell, Kerry

McLean, David LaBiosa, Jesse Galante, Rick Prell, Ward Boland, Francesca Vitrano, Old Harry the ex-caretaker and unidentified others.

Conspicuously missing from the radicals were renowned husband and wife acting team Harry Governick and Melissa Mayo (or Melissa Mayo and Harry Governick as she might have it).

Cult member Pat(sy) Asanti said, “I could swear I saw and heard the ghost of Marilyn Monroe

moaning, “You should go, Vee-haroh!”, while playing with an imaginary coffee cup.

Harry Governick and beautiful wife Melissa Mayo said this about Viharo’s departure “We’re sure that once Robert gets settled, he’ll maintain an open line of communication with all of his former worshipers.” That was over 30-years ago...

UPDATE 2024: In keeping with his word, and a truer man than Mr. Viharo there never was, it is believed that the Drama Don is in fact residing somewhere in the badlands of New Mexico. Since he left the **media mecca** known as Hollywood, the situation there has only gotten worse - exponentially. From his former members: You were RIGHT, Robert. Peace, out.
